About Kazakhstan

Kazakhstan lies in Central Asia, in the south of Russia. Kazakhstan is the largest landlocked country in the world. It is extended east from the Caspian Sea to the Altai Mountain. Until the year 1991, Kazakhstan belonged to one of the fifteen Soviet Republics. It is a multicultural and diverse country with about 19.3 million people living in it. Most of the population speaks Kazakh and Russian.

Climate:

Kazakhstan has continental climate with extremely warm summers to cold and long winters. Winter is extreme in the northern part of Kazakhstan. Temperature in Kazakhstan ranges from -9 degrees Celsius to 23 degrees Celsius.

About Aktobe City

Aktobe is a town in the West Kazakhstan region. It is more of an executive center of Kazakhstan with great scope for different industries to grow. This means Aktobe is a fastly growing city opening up new avenues for new fields and professions. As an MBBS student at West Kazakhstan Marat Ospanov State Medical University, you get an opportunity to be a part of a modern community that is multicultural and rich in traditions. More Indian students migrate to Aktobe for medical education at West Kazakhstan Marat State Medical University. Among the nation are several fascinating legends regarding the origin of the name Aktoba town. The actual meaning of the “Aktobe” is “white hill”. Aktobe is an economically and culturally strong and great tourist destination.
